IN THE UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF CALIFORNIA

EDWARD GUTIERREZ,	No. C 07-4251 MMC (PR)
Plaintiff,	
v.	
SANTA CLARA COUNTY DEPARTMENT OF CORRECTIONS, MEDICAL DEPARTMENT,	
Defendants.	
EDWARD GUTIERREZ,	No. C 07-5999 MMC (PR)
Plaintiff,	
v.	ORDER STAYING PROCEEDINGS
SANTA CLARA COUNTY DEPARTMENT OF CORRECTIONS, DENTAL DEPARTMENT,	AND ADMINISTRATIVELY CLOSING CASES; DIRECTIONS TO CLERK
Defendants.	

In 2007, plaintiff, a California pretrial detainee incarcerated at the Santa Clara County Jail ("SCCJ") and proceeding pro se, filed the above-titled civil rights actions pursuant to 42 U.S.C. § 1983, claiming he was receiving inadequate medical and dental care at the SCCJ. The Court granted plaintiff leave to proceed in forma pauperis in both actions, and dismissed both complaints with leave to amend to cure the noted deficiencies, specifically, plaintiff's failure to name and to adequately connect the defendants to his claims.

Recently, plaintiff wrote a letter informing the Court that he is in the midst of complex criminal trial proceedings and is unable to meet the Court's deadline for filing his amended

complaint in action No. C 07-5999. Specifically, plaintiff states he will need "at least 90	
days to completely investigate and amend this complaint." (Letter, filed May 8, 2008.)	
Plaintiff did not write a similar letter in action No. C 07-4251; in view of the fact that	
plaintiff has not filed his amended complaint therein, however, the Court assumes plaintiff's	
ongoing criminal proceedings pose the same hurdles with respect to plaintiff's meeting the	
Court's deadlines in action No. C 07-4251 as they do in action No. C 07-5999.	

Based on the foregoing, the Court finds it would not prove efficient to grant plaintiff a limited extension of time to file his amended complaints where, due to the ongoing nature of plaintiff's state criminal proceedings, there is no indication such extension of time will be sufficient and it instead appears that further extensions likely will be required.

Consequently, in the interest of justice and good cause appearing, the Court will stay the instant actions until plaintiff's state criminal proceedings have concluded, at which time plaintiff may, in each case, file a motion to lift the stay. Upon filing such motion in each case, plaintiff must at the same time file, in the relevant case, the amended complaint required by the Court's order of dismissal with leave to amend. Should plaintiff fail to do so in either or both cases, said case or cases will be dismissed without prejudice.

Accordingly, the above-titled actions are hereby STAYED. The Clerk is hereby directed to ADMINISTRATIVELY CLOSE both cases, and to provide plaintiff with two copies of the court's form civil rights complaint and two return envelopes

IT IS SO ORDERED.

DATED: September 19, 2008

MAKINE M. CHESNEY United States District Judge

¹Plaintiff must use the court's form civil rights complaint to file his amended complaints. With respect to each amended complaint, plaintiff shall complete the form and include in the caption both the case number of the relevant action and the words "AMENDED COMPLAINT."
